REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: After review of the 132 Declaration filed on December 27, 2004, all previous objections and prior art rejections are withdrawn. Although other multiple cone bolts may exist, such as Fisher (458), there is no suggestion in the art of record for combining such references with the Elliott (092) reference to arrive at the claimed subject matter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lloyd A. Gall whose telephone number is 703-308-0828 and after April 2005 at 571-272-7056. The examiner can normally be reached on Monday-Friday, 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Bagnell can be reached on 703-308-2151. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
